MITCHELL R. ELFERS
CLERK OF COURT

Part F. Representation.

CR 17-2490 KG

Letter of Representation 21cv452-KG

I am declaring in this moment, I do not have a lawyer to represent me due to my economic situation, I am the one writing this document with the knowledge of my books and my reading, "information and instructions for filing" a (MOTION UNDER 28 U.S.C. § 2255) and under the law of CONSTITUTION U.S.A. (United States)..

I am certain it would be read and open with the same interest and you would approve and positive response in your honorable Court!

Appreciated your attention. —
